

ALL IN PEDIATRICS

Walk-IN Hours Increased!

Starting **Monday, August 6th**, we will offer **EXTENDED WALK-IN HOURS** at our New Albany office:

Monday-Thursday 8:00am-12pm and 1-7pm
Friday 8am-12pm and 1-4pm

Walk-in visits are defined as prompt care situations, such as earaches, vomiting/diarrhea, and other immediate type problems. We cannot accommodate conducting sports physicals, well child visits, or complicated care problems such as prolonged headaches, chest pain, or any behavior related issues or med checks during a walk-in visit. For each of the aforementioned issues, you will need to make an appointment with a provider.

Salem office hours have not changed. Walk-ins are welcome at any time, but appointments are preferred.

If you have a question about whether or not your child needs an appointment, please call us at (812) 949-0405.

Changes to Allergy Shot Policy

Please note that allergy shots cannot be given the same day as a well child visit, sick visit, or even the same day a flu shot is administered. Allergy shots must be given in an individual visit every time.

In addition, we will no longer generate a school note for allergy shots. Please plan to bring your child in after school to receive their shot.

Lastly, effective immediately, Salem office allergy shot hours are 8:30am-11:30am and

1pm-4pm Monday through Friday. No shots will be given during the lunch hour (12pm-1pm) or after 4pm. Patients are required to stay on-site for a full 30 minutes after receiving their shot to ensure there are no adverse reactions.

We're Growing

You might see some new faces around our office this fall. We have 2 Pediatricians starting with us this month! Dr. Melissa Kadish started early July and comes to us from the University of Louisville. Dr. Amanda Stovall, a Kentuckiana native, starts July 30th and is an IU Med School graduate.

Please join us in welcoming them to the All IN Peds family!

Sport Physical

As the new school year approaches we get all kinds of requests for sport physical forms. Our office policy regarding sports physicals is as follows:

1. If your child has been seen for a well child/check-up in the past year, you do not need to make another appointment for a sport physical. You can call to request a form to be completed by the provider who saw your child for their last check-up and we will have the form completed and signed within 7-10 business days. Depending on which type of insurance your child has, you may be charged \$5 for the form to be completed outside an office visit.

2. If your child has not been seen in the last 12 months for a well child/check up visit, you will have to make an appointment. When making the appointment, please notify our front desk that you will need a sport physical form as well or bring the form with you to the visit. There are no fees for completing the form during an office visit.

New Albany Office Hours

Monday- Thursday 8am-8pm

Friday 8am-5pm

Saturday 8am-12pm

Walk-In Hours
