

# ALL IN PEDIATRICS

## Schedule Check-ups and Sport Physicals NOW!

It seems like summer gets shorter every year or at least the summer break for school aged children. First day of classes for New Albany Floyd County schools is Thursday, July 27th. If your child will participate in a fall sport, they will have to submit their sports physical form within the first few weeks of school. Please contact us today to schedule your child's physical, (812) 949-0405.

Also, Indiana schools now requires the meningitis vaccine, MCV4. Please see the [attached document](#) for specific vaccination requirements.

---

## Update on Our Salem Office

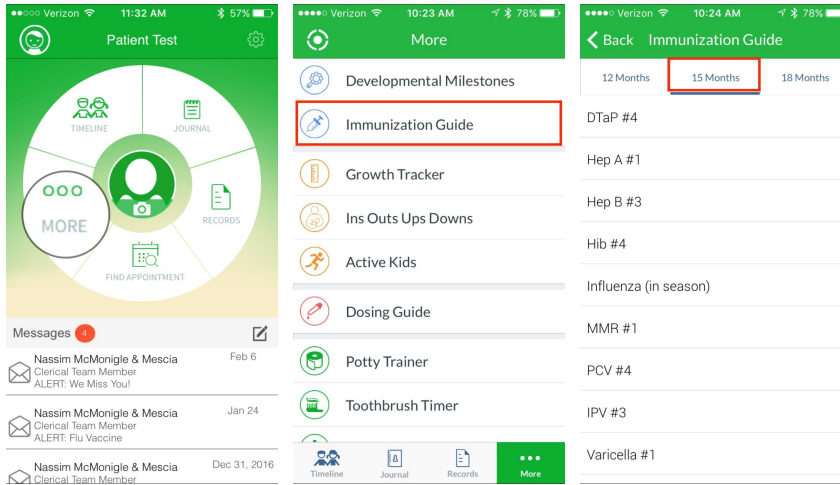

As you know, we opened our new office in Salem on May 30th. Since that time we have been busy with establishing that office and spreading the word that we are open. If you have friends or family with children in the Salem area or surrounding counties (Scott, Orange, and Jackson) we appreciate you passing along our information.

---

## Healow Kids Feature Review - Immunization Guide

We have a lot of parents ask about their child's vaccination schedule. First, we follow the American Academy of Pediatrics guidelines for all immunizations and standard treatment protocols. That being said, Healow Kids provides a great tool to quickly view which immunizations will be given when. Once in the Immunization Guide, select your child's age from the scrolling list at the top of the screen (image 3 below). As always, if you have any questions please ask one of our nurses during your appointment.

### New Albany Office Hours

Monday- Thursday 8am-8pm

Friday 8am-5pm

Saturday 8am-12pm

### Walk-In Hours

Monday-Saturday 8-10am

Monday-Thursday 4-6pm

### Salem Office Hours

Monday-Friday 8am-5pm

### Walk-In Hours

Monday-Friday 8:30-10am

Monday-Friday 2-4pm

**Call for an appointment: 812-949-0405**
